## CALLISTO (LD10WWBS)

The CALLISTO is a stylish recessed downlighter offering a lighting solution for a multitude of applications.

The CALLISTO utilises the latest in Power LEDs in a compact housing giving a super bright light source without compromising on safety. Traditional downlighters are installed into a variety of locations, many of which are within easy reach, and the majority are halogen options that can reach temperatures in the region of 90°C. As LEDs are cool running, the CALLISTO provides a much safer lighting option without compromising on light output. The CALLISTO has a tough polycarbonate lens which protects the LED and diffuses the light effectively.

The CALLISTO is also IP67 rated making it also ideal for use in areas such as bathrooms, chilled/refrigerated applications and as an external light source .

### SPECIFICATION

ALL DIMENSIONS HAVE A TOLERANCE OF +/- 1mm

CALLISTO  
(LD10WWBS)

Model No	LD10WWBS	
Supply Voltage	Vdc	12V
Voltage Range	Vdc	10 to 14
Average Current	A	0.10
LUX @ 1 Metre	LUX	TBA
Tube/Bulb/LEDs	W	1W
Weight	Kg	0.03
Temp. Range	°C	-30 to +40

E & OE
